

PN101 Medical Terminology

Urinary and Reproductive Terminology Chart

Student Name:	_____	Date:	_____
Due Date:	August 11, 2026	Points:	15

Purpose and Directions

Compare urinary, female reproductive, and male reproductive terminology using organized charting.

Complete all sections. Submit the completed worksheet in Canvas as an uploaded file or type your answers directly into the Canvas text box.

Section A: System Comparison Chart

Complete the chart for each body system.

Body System	Combining Forms	Common Conditions	Procedures / Tests
Urinary system			
Female reproductive system			
Male reproductive system			

Section B: Term Breakdown

Break down each term into word parts and define it.

Term	Word-Part Breakdown	Definition
cystitis		
nephrology		
hysterectomy		
mammography		
prostatitis		
orchiectomy		

Section C: Professional Communication

Explain why accurate terminology is especially important when discussing urinary and reproductive health.

Grading Checklist

- ☐ System comparison chart: 6 points
- ☐ Term breakdown and definitions: 6 points
- ☐ Communication reflection: 3 points
